Dear Mr. Fitzgerald:

I am in receipt of your August 10, 2001 Facsimile letter. You requested that biological samples be retained and not destroyed.

Please be advised that those samples were collected at the request of the United States Environmental Protection Agency, and have been sent to a contract Laboratory at their request. As such, we no longer have physical custody of those samples. If you wish to discuss the status of these samples, you should contact:

Joyce Ackerman,
Region VII Coordinator
EPR-ER
EPA 999 18th St., Suite 300
Denver, CO 80202

Telephone:
